Customer Resources

Who to contact for contracting, marketing, and LINK® support needs

Firm

- T-North and T-South services will be distinguished on separate contracts
- In T-North, there are FT-NLH (TNLH Northern Long Haul) and FT-NSH (TNSH Northern Short Haul). FT-NLH transportation paths comprised of opposing flow direction will be entered on two different Svc Req K numbers (contract)
- In T-South, FT-S includes all Southern Service Types (TSEXP, TSIND, TSKV, TSLM, TSPNG, TSEXP-WF and Revertible TSEXP-WF) under one Svc Req K number

Interruptible

- Interruptible services are IT-NLH (Northern Long Haul), IT-NSH (Northern Short Haul), and IT-S (Southern). Each Interruptible service class will be distinguished with its own Svc Req K contract number.
- IT-NLH and IT-NSH will remain with blanket pathing for all receipt and delivery locations
- IT-S contracts for all service types (TSEXP, TSIND, TSKV, TSLM, TSPNG) will remain the same as today

Trading Pools

TAB contracts will be required to transact at or within Trading Pool locations (Station 2 and Huntingdon)

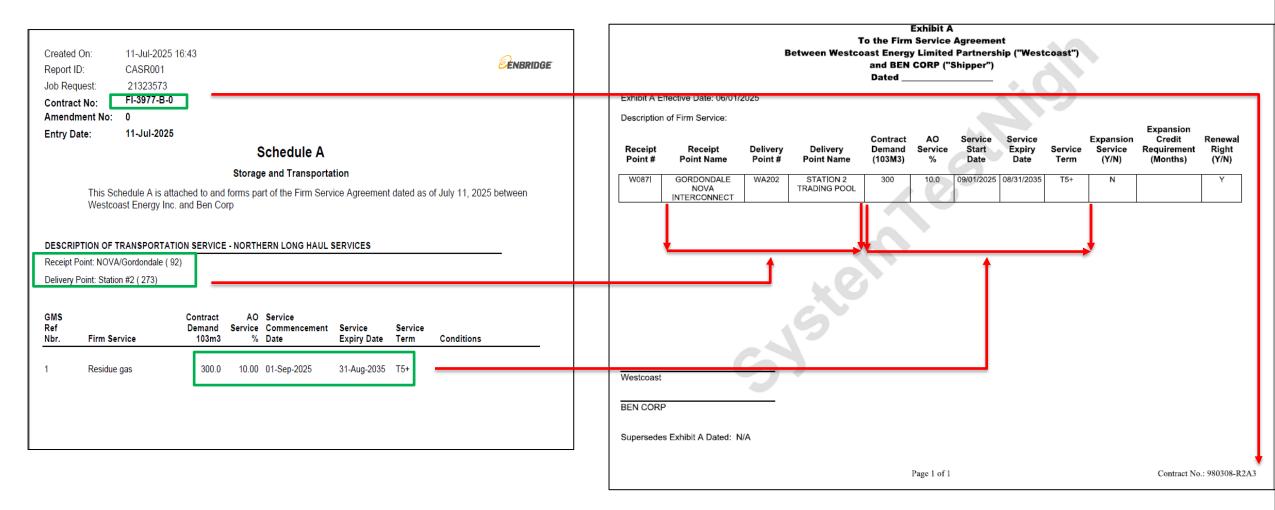

GMS	LINK
 Has "Contract Numbers" that are four-digit numeric identifiers. 	Has "Svc Req K", which is a six-digit numeric identifier of the contract.
• Each amendment modifies the Contract Number (ex. 0000 - # # #)	Each amendment modifies the Svc Req K with four alphanumeric characters (ex. 000000 – R#A#)
Has a "Schedule A" that is associated with the contract	Has an "Exhibit A" that is associated with the contract
Assignments are called Assignment and Amending Agreements	Assignments are called "Assignment and Assumption Agreements" (AAA).
Each assignment revises the Schedule A of the original Firm Service Agreement	Each AAA is its own contract (Svc Req K) that does not amend or change the originating Firm Service Agreement

Step 3a - Select Shipper (Service Requester) Name

This will automatically be defaulted to the company associated with your User ID. If your company is Agent or Affiliate on behalf of other companies, double-click "Svc Req Name" box to find the list of companies you may manage.

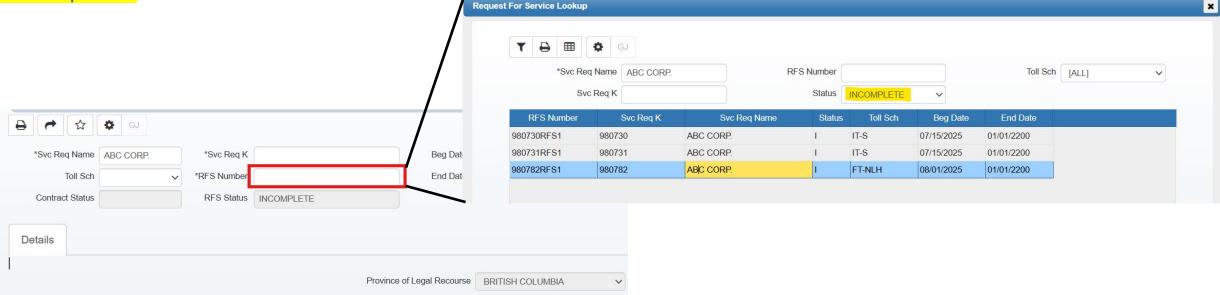

Step 3b – Locate the unique Contract Number for your RFS (Svc Req K)

This number will be provided to you by the Westcoast Contracts team during your RFS. You may also doubleclick in "RFS Number" field to bring up a searchable contract list. Any contracts awaiting submission will be in

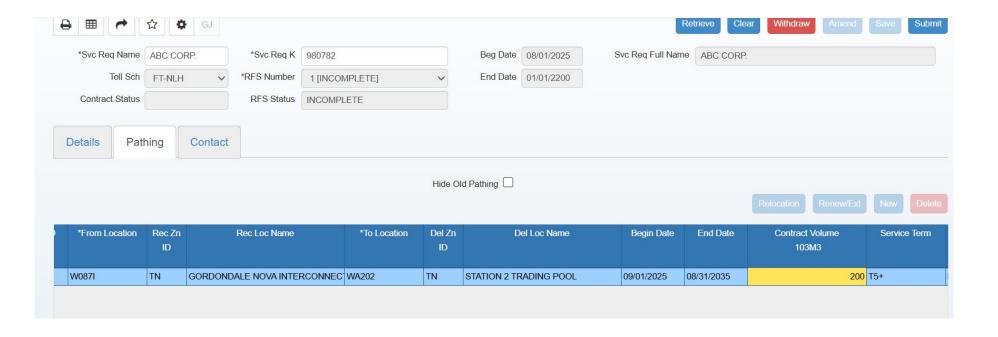

Step 4 - Ensure accuracy of Contracted Paths

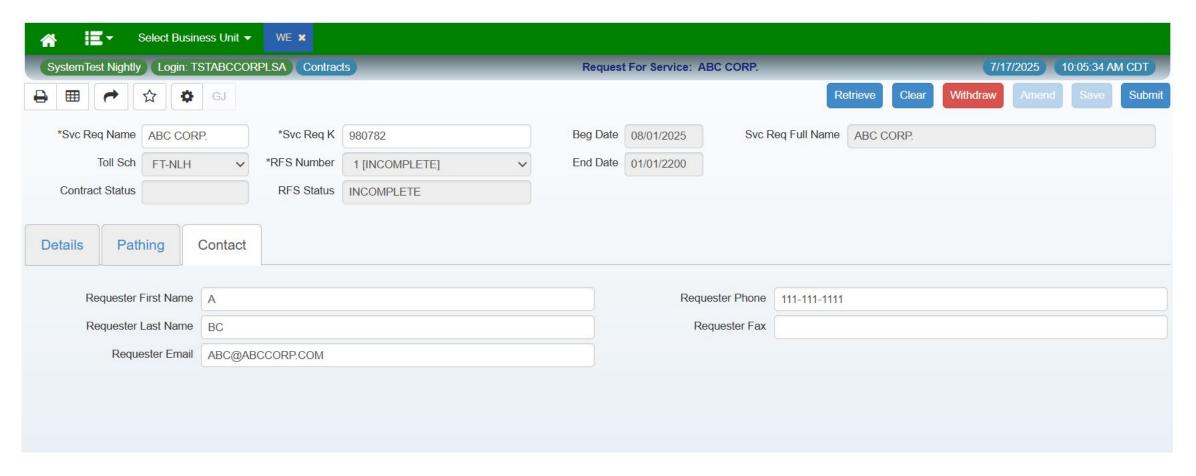

Review the "Pathing" tab for line detail and correctness of your Service Request. Check that Receipt Location, Delivery Location, Begin and End Dates, and Contract Volume (103m3). If information is not accurate, use the "Withdraw" button to send the request back to Westcoast for review.

Step 5 – Verify contact information

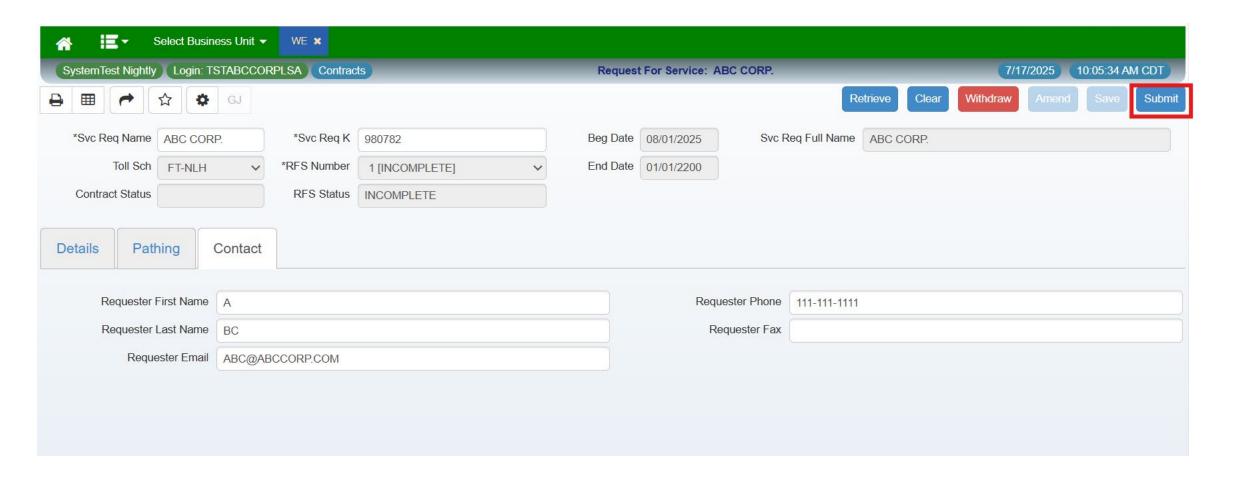

Fill out the "Contact" tab for the Requester of this Service Agreement (LINK user's contact information will be displayed as default, but may be changed at user's discretion)

Step 6 – Select Submit

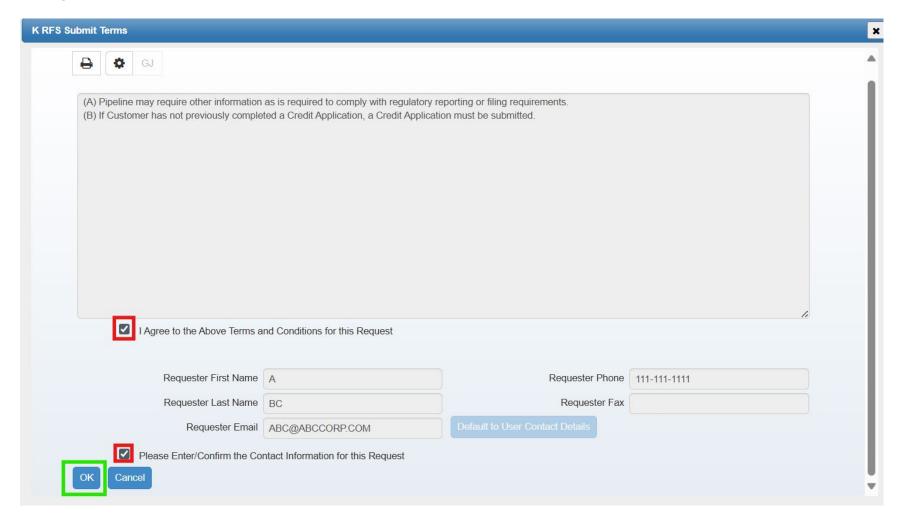

When information is as desired, use the "Submit" button.

Step 7 - Agree to the terms and conditions

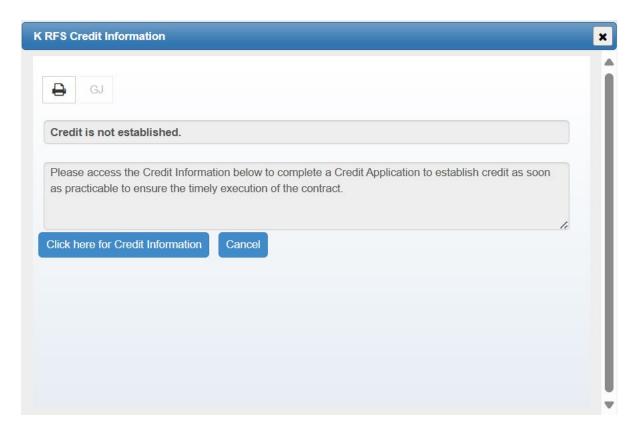

After submitting, check the boxes to attest that information is accurate, then click "OK".

Step 8 – Acknowledge prompt for Credit Application

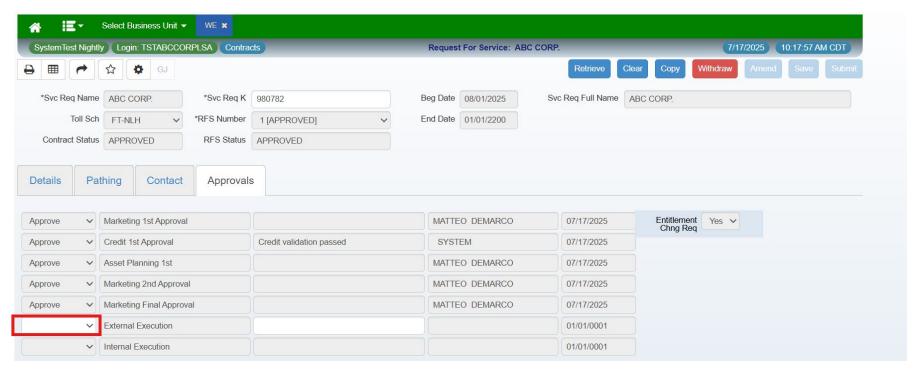

A popup will notify if credit has not been established for your company yet. Review and complete Credit Application if required.

Step 9a - Perform an external execution

The contract will go through several departmental approvals. An email notification will be sent to the Customer when the agreement is ready for external execution. Before the contract is finalized, you will be required to come back to "Request for Service" screen, go to the "Approvals" tab, and use the dropdown next to "External Execution" to approve.

Step 9b - Perform an external execution

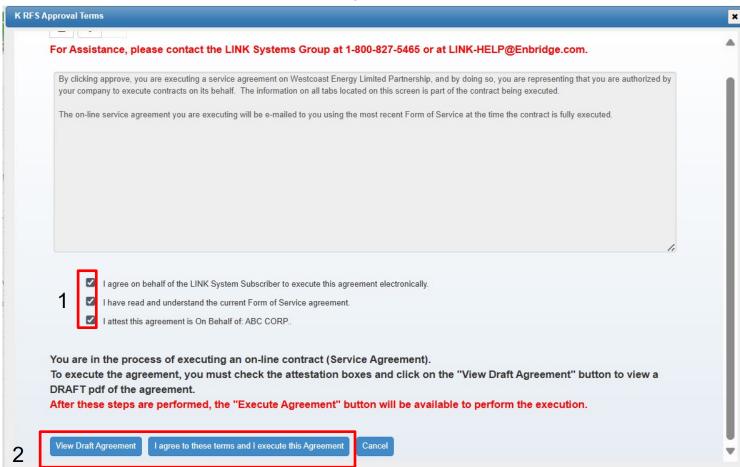

Upon selecting "Approve" on the dropdown in the previous step, the following popup will appear:

Step 1: Agree to all terms and conditions

Step 2: Hit the "View Draft Agreement" button.

*Note: this will be the opportunity for Service Requester to download a PDF copy of the draft agreement for their own records prior to execution

Step 3: Hit the "I agree" button

How to submit an assignment of Firm service in the LINK_® System

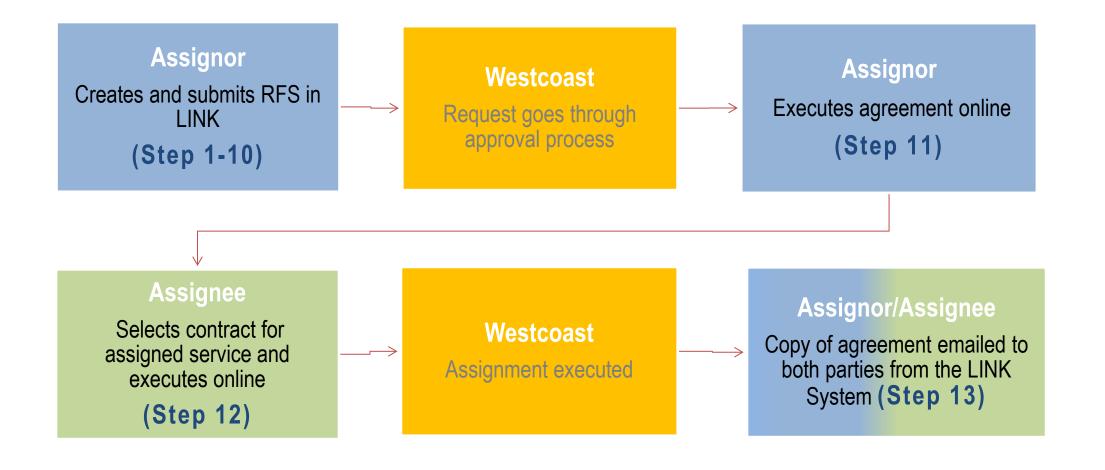

There are three types of assignment agreements in LINK:

- AAA: Assignment and Assumption Agreement (Assignor released from liability)
- AAA-P: Assignment and Assumption Agreement Permanent (entirety of service term including renewal rights)
- AAA-S: Assignment and Assumption Agreement Streamline (Assignor retains liability)

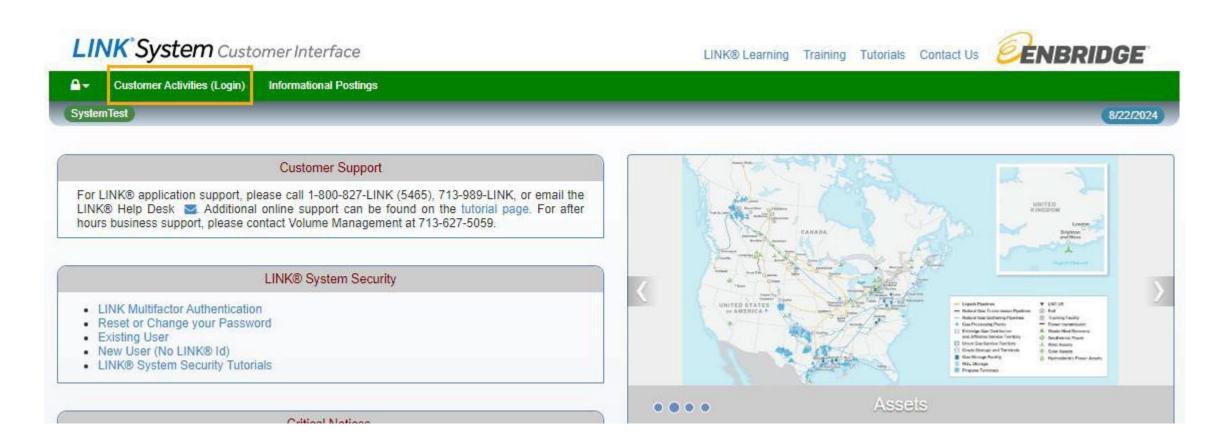

Step 1 - Go to https://link.enbridge.com

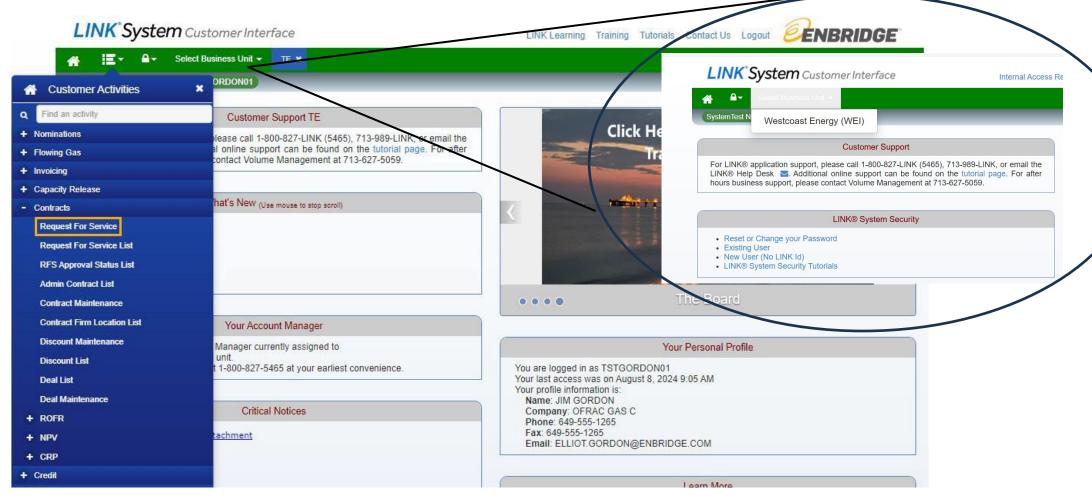

Select "Customer Activities" from the top banner

Step 2 - Select the Westcoast Energy business unit

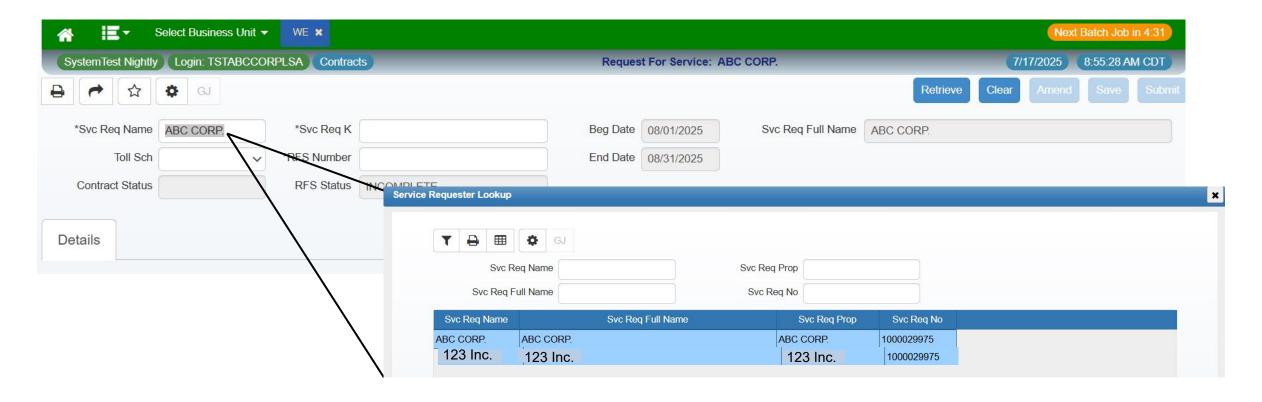

From the menu tree, select Contracts → Request For Service

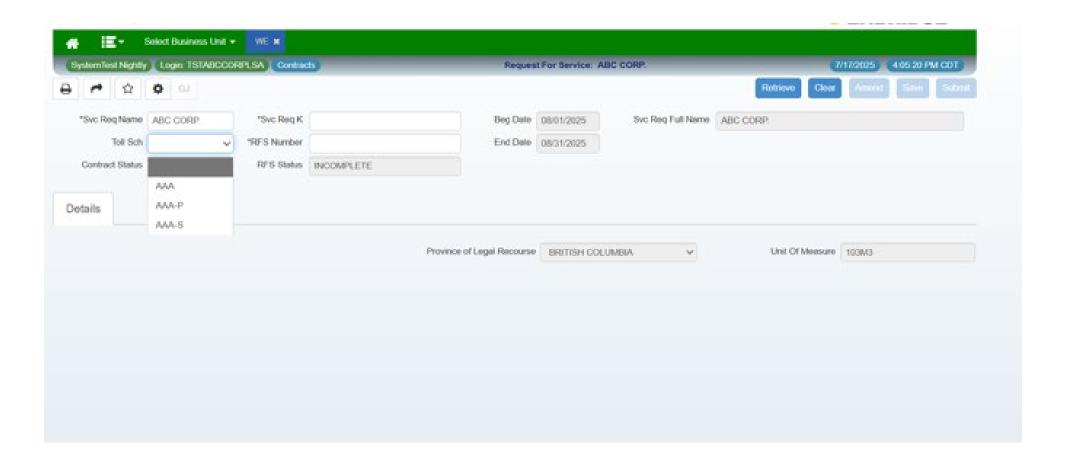

Step 3 – Select Assignor Name

This will automatically be defaulted to the company associated with your User ID. If your company is Agent or Affiliate on behalf of other companies, double-click "Svc Req Name" box to find the list of companies you may manage.

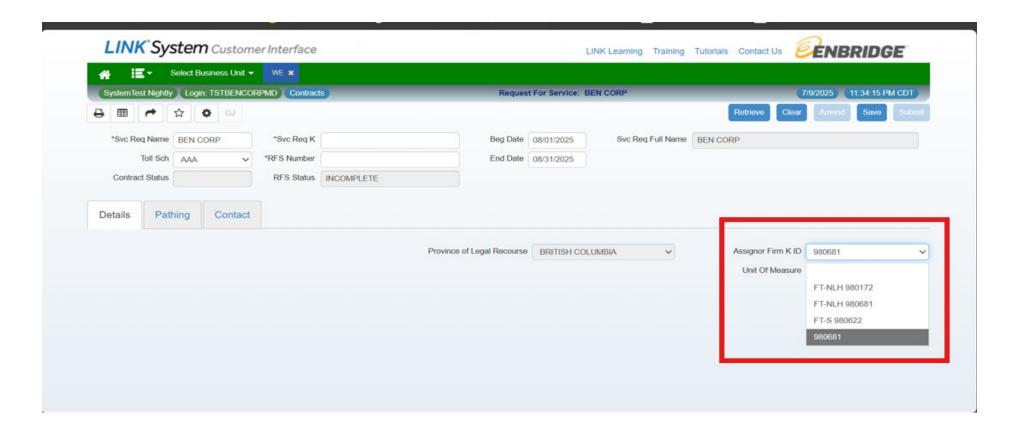

Step 4 – Select desired Assignment type from the "Toll Sch" dropdown list

Step 5 – Select Contract to be used for assignment of Service

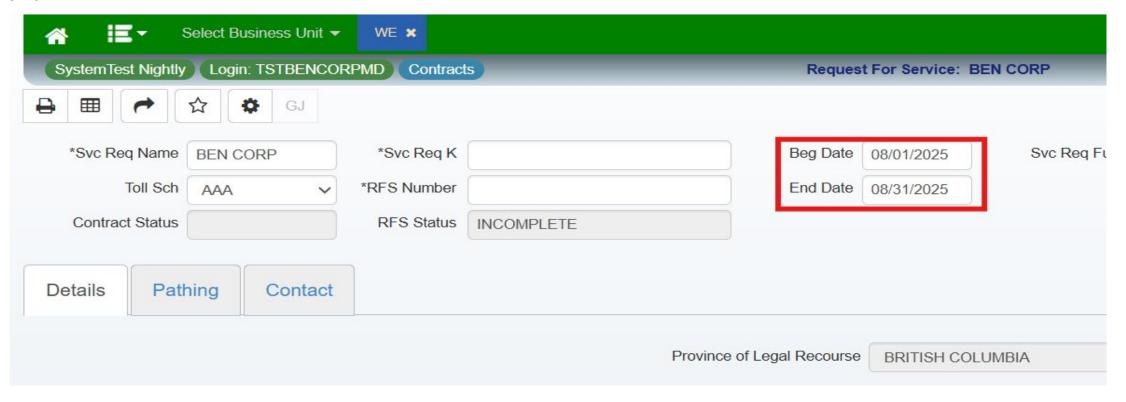

Within Details tab, use the dropdown list next to "Assignor Firm K ID" to select the desired FT contract for the assignment. Note that the **Assignor** must initiate the request for assignment.

Step 6 - Choose Begin and End Date for the Assignment term

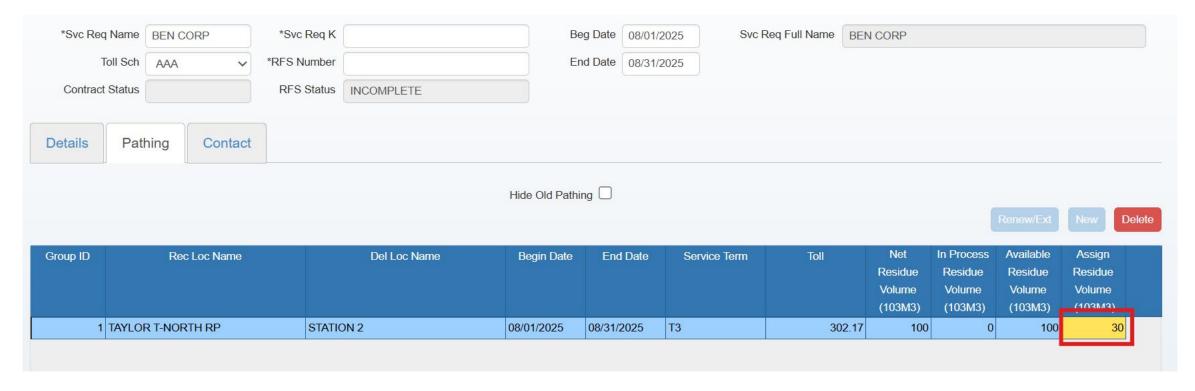

The default length is beginning to end of following calendar month, but this may be changed at user's discretion. Be sure to verify that Begin Date is the *first* day of a month and End Date is the *last* day of a month.

Step 7 – Select Residue Volume to assign

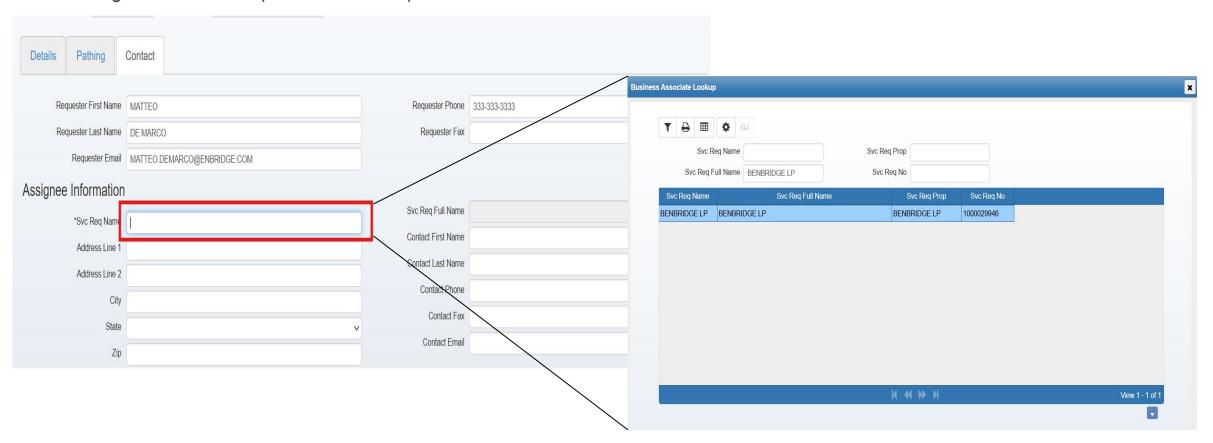

Under the Pathing tab, the transportation services associated with the Contract selected in Step 5 will be shown. The rightmost column will allow the Assignor to specify the volume to be assigned from each line of service, in 10³m³.

Step 8a – Select Assignee Company from Svc Req Name field

Under the Contact tab, Assignor can choose the Assignee by typing the entity name or doubleclicking the "Svc Req Name" lookup field

Step 8b – Select Assignee Company from Svc Req Name field

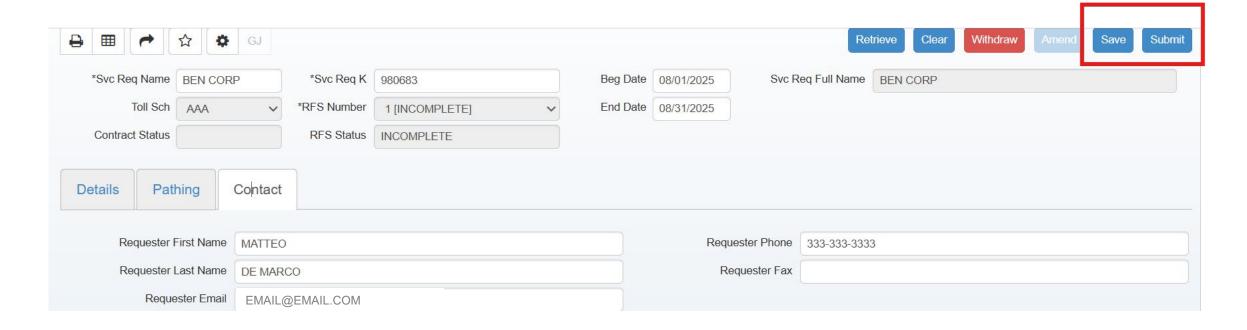

Assignee Company's default contact information will automatically populate. This can be edited as needed if certain contacts are required for specific assignments.

Details Pathing	Contact		
Requester First Name	MATTEO	Requester Phone	333-333-3333
Requester Last Name	DE MARCO	Requester Fax	
Requester Email	EMAIL@EMAIL.COM

City	COQUITLAM	Contact Phone	333-333-3333
State	BRITISH COLUMBIA V	Contact Fax	
Zip	V3J 0P6	Contact Email	EMAIL@EMAIL.COM

Step 9 – Select Save or Submit

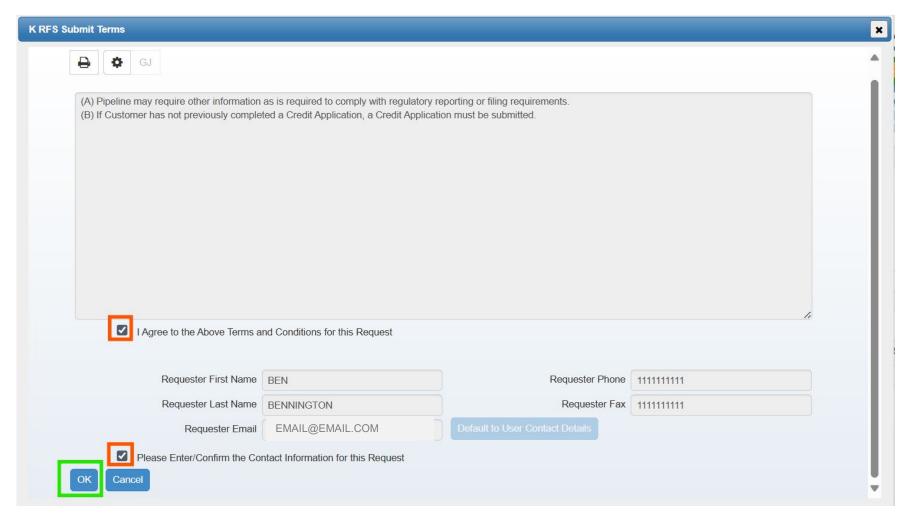

If you will be holding the request in a pending state before submitting to the Assignee, click the "Save" button and you may safely exit the screen. If you will be submitting right away, use the "Submit" button after checking accuracy of all information.

Step 10 - Agree to the terms and conditions

After submitting, check the boxes to attest that information is accurate, then click "OK".

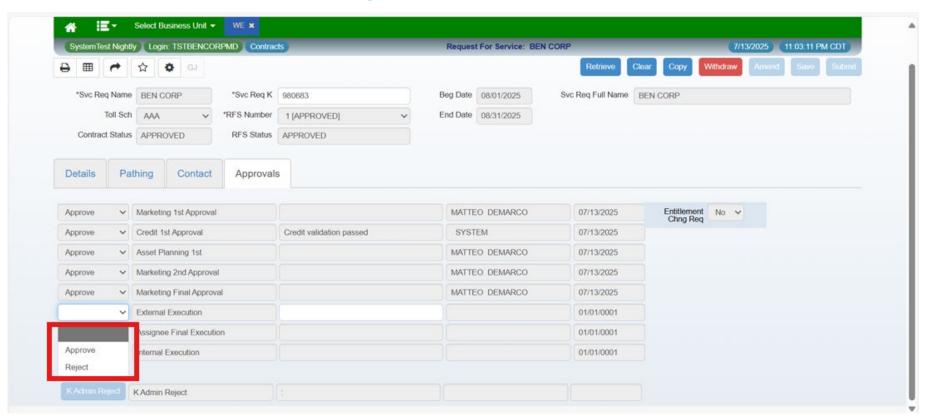

Step 11a – Assignor performs external execution

An email notification will be sent to the Assignor when the agreement is ready for external execution. Before the assignment is finalized, the Assignor and Assignee (respectively) will be required to go to the "Request for Service" screen, navigate to the "Approvals" tab, and use the dropdowns to approve.

Assignor (Ben Corp)

Step 11b - Perform an external execution

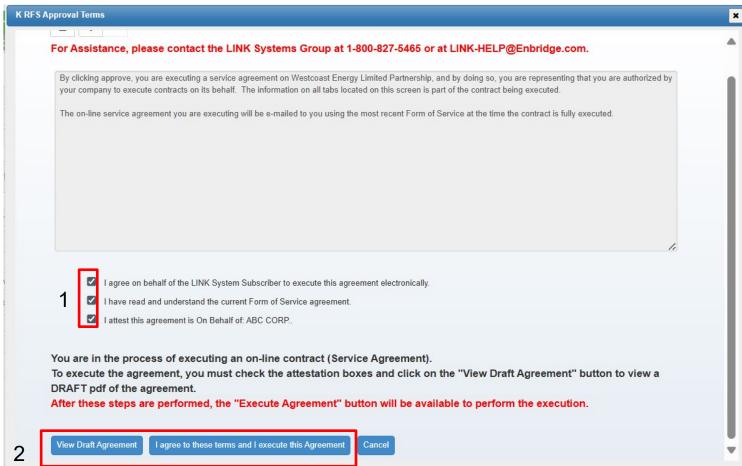

Upon selecting "Approve" on the dropdown in the previous step, the following popup will appear:

Step 1: Agree to all terms and conditions

Step 2: Hit the "View Draft Agreement" button.

*Note: this will be the opportunity for Service Requester to download a PDF copy of the draft agreement for their own records prior to execution

Step 3: Hit the "I agree" button

Step 12a – Assignee performs external execution

An email notification will be sent to the Assignee when the agreement is ready for external execution. In the Details tab of the Request for Service screen, the Assignee must first select the Firm contract they will be holding the assigned service under using the "Assignee Firm K" dropdown.
